On Sunday, November 5, 2006, crewmembers from the U.S. Coast Guard Auxiliary Flotilla 81 inspected navigation lights on the Chattahoochee River portion of West Point Lake. Pictured left to right are members Randy Glass, Lewis Higgins and Chuck Avanzato.

While conducting the inspection, auxiliary members came upon a stranded boat with 5 occupants. They towed the stranded vessel to Highland Marina to ensure the safety of all on board. Pictured are (left to right) Chetan Sankar, Lewis Higgins and Chuck Avanzato.
